Uniform Guidelines

Updated 2023-24

Principles

The St. Thomas More Academy uniforms are designed to promote the principles of modesty and dignity. The dress code was created with the goal of providing a learning environment free of distractions while enabling all of our students to work and play freely. Students should also keep in mind that they will be attending Holy Mass every day and should dress with proper respect accordingly.

Provider

We have contracted with Sports Image Apparel to be our primary uniform provider. **All items with logos, with the exception of Upper School blazers, must be purchased through them. Our logo is no longer available to be embroidered on items purchased elsewhere.** Old uniform items will be grandfathered in for next year.

Lower School Jumpers: [French Toast](#)

Upper School ties and optional blazers: [Lands End](#). Our school code is 900194267.

Note on Logo/Crest

All shirts, sweaters, and blazers will be required to have a logo beginning with the 2023-24 school year. The only exception to this is girls wearing jumpers where the logo on the shirt is not visible.

Why are we requiring shirts with our logo/crest?

We have uniforms at STMA both to cultivate an environment of order within which our students can work at their best, and also to foster our unity as a community. As Catholics, we know that signs and symbols matter. Since we are embodied human beings, we need visible signs of invisible realities. Our unity as a school community is very real, but it is invisible. It is fostered in a myriad of ways, but as medieval guilds, sports teams, and many other schools understand, wearing insignia that represent the community's unity is one of the best ways to foster that unity. Unlike the other aspects of our uniform, the crest directly symbolizes our mission and links us to our patron.

Our STMA crest shares the same basic shape as St. Thomas More's coat of arms: a chevron on a shield with three figures. The shield is blue (azure), which in heraldry represents truth and loyalty, natural virtues which More exemplified and which we wish our students to emulate. The chevron is gold, which represents glory and faith. One can think of the gold superimposed on the blue as the theological virtues building upon the natural human virtues. The owl is, naturally, a symbol of wisdom and learning, making it appropriate for the crest of a school. The rose has several meanings. First, it was part of St. Thomas' own coat of arms. Second, the white rose symbolizes purity, while the red rose symbolizes martyrdom. When placed one on top of the other, they become known as the "Tudor rose", which is strongly associated with England, but is also a symbol of Mary.
