## Uniform Guidelines 2024-25

### Principles

The St. Thomas More Academy uniforms are designed to promote the principles of modesty and dignity. The dress code was created with the goal of providing a learning environment free of distractions while enabling all of our students to work and play freely. Students should also keep in mind that they will be attending Holy Mass every day and should dress with proper respect accordingly.

### Provider

We have contracted with Sports Image Apparel to be our primary uniform provider. **All items with logos, with the exception of Upper School blazers, must be purchased through them. Our logo is no longer available to be embroidered on items purchased elsewhere.**
